# Executive Leadership Series on Missing & Exploited Children

## Prerequisite Requirements

In order to participate in the PRPL series, learners must complete prerequisites through **NCMEC CONNECT** prior to the series kick-off date.

Complete all modules referenced in Section A and the appropriate module set in Section B.

### Section A. Clearinghouse Modules

These asynchronous learning modules provide a foundational understanding of NCMEC's role as a national clearinghouse and the case support resources NCMEC can provide to assist with these types of cases. (9 modules, totaling ~2 hours)

1. Introduction to NCMEC
2. Missing Children: Intake to Recovery
3. Attempted Abductions
4. Forensic Services: Innovative Tools and Strategies for Long-Term Missing and Unidentified Cases
5. Analytical Resources in Missing Child, Unidentified Remains and Child Sex Trafficking Cases
6. Child Exploitation Reporting and Analytics
7. Sex Offender Tracking Team Resources
8. Serving Families: Community-Based Resources and Support
9. Child Safety Resources

### Section B. Missing Kids Readiness Program (MKRP) Modules

These asynchronous learning modules provide best practices for taking and responding to calls of missing and sexually exploited children. Completion of these modules satisfies the minimum training requirements for senior management and executives who are seeking agency membership in the Missing Kids Readiness Program. There are two module sets: 1) for state clearinghouse managers, law enforcement commanders and chief executives and 2) for emergency communications senior managers/executives. Attendees do not need to take both module sets, only the appropriate discipline module set.

#### MKRP for Law Enforcement (5 modules, totaling ~2.5 hours)

1. Missing and Exploited Children: Introduction for Public Safety (MECINTRO)
2. Missing and Exploited Children for Patrol Services (MECPAT)
3. Missing and Exploited Children for Criminal Investigators and Detectives (MECCID)
4. Missing and Exploited Children for Law Enforcement Supervisors (MECSUP)
5. Missing and Exploited Children for Law Enforcement Commanders (MECCOM)

#### MKRP for Public-Safety Answering Points (4 modules, totaling ~2 hours)

1. Missing and Exploited Children: Introduction for Public Safety (MECINTRO)
2. Missing and Exploited Children: Telecommunicators (MECTEL)
3. Missing and Exploited Children for PSAP Supervisors, Quality Assurance Evaluators and Trainers (MECSET)
4. Missing and Exploited Children: PSAP Executives (MECEXEC)

**Hybrid learners must complete the above prerequisites through NCMEC CONNECT prior to attending the in-person training and the following courses (~3 hrs):**

1. Legal Issues
2. Digital and Social Media Relations
3. Community-Based Multi-Disciplinary Teams
4. Responder Resilience and Wellness
5. Federal Resources
6. Pine Hill case study
